GET BENT!

Getty

WHEN Indonesian champion Mbah Bean gets too lazy to do his chores, he doesn't need anyone to kick him up the arse – he can do it himself.

Even though he has no known medical condition, the 68-year-old from North Kalimantan province is so bendy he can rest his chin on the sole of his foot, as youse can see here.

He has a few other tricks, including the Cobra, where he folds his legs up to his sides, and the Roasted Chicken, in which he bends his knees the wrong way and puts his feet on his stomach.

Mbah discovered he could do all this beaut bendy shit when he got a thorn stuck in his foot at age 11.

"I unconsciously twisted my leg to check my feet," he recalls, bendily.

"My friends were asking how I could do that. They pointed out the soles of my feet were up in my face."

Mbah went on to make a buck as a professional contortionist. He also fathered 12 children, which would've been worth watching. ■ Picture

Good GOLLY Miss Holly!

Holly Peers rocks our world!

THEY know a thing or two about horn-inducing, big-boobed stunners over there in Pomgolia.

They've been churning out fine examples of the genre for decades, and in all that time there have been few bigger-boobed, more stiffy inspiring and MORE STUNNERING than Holly Peers.

We caught up with the 28-year-old spoof magnet as she was launching her 2016 calendar, and had deep and meaningful convo about tits, the universe and everything.

Holly, after six years in the hurly-burly of the norks-out biz, how do you keep coming up

EVERY DAY IS A HOLLY DAY!

with fresh ways to display your boobs?

"To be honest, I don't, the photographers do. How many different ways can you show your boobs, right?

Don't get us started. They actually look a little bigger this year – is it just us, or are they still growing?

"Maybe the photographer is just smaller! They have changed over the years, though, I think for the better. It must be all the beer!

We have noticed over the years that beer does have a tendency to make beaut things even beauter. How ARE the girls, anyway? Have you taken them anywhere exciting lately?

"Actually, I've really clocked up the air miles this year, which is amazing. It's such a shame though, that I can't get them out in the good old US of A, as I know the Yanks would love them."

Mad if they didn't. Where did you shoot the calendar? We see sunshine, so it couldn't have been England.

"Ibiza, one of my favourite places in the world. It's only two hours from the UK and the sky is always so blue and they are super-cool about being naked over there. In fact, the more flesh the better!"

Those Ibizans are cluey. Do you have calendars of sexy nude blokes on your wall at home?

"Erm... no, none. I'm not sure why, it's just not the same, I guess. Weird, isn't it?"

Who do you have a girl-on-girl crush on at the moment?

"Rosie Jones – but hey, who doesn't, right?"

Guilty as charged. What's your favourite drink at the moment?

"Bacardi and coke."

Old school! Respect! If we made you Queen of Oz, would you come and rule us with an iron hand?

"You bet I would! I'd be there same day. It's just so hard to get into Oz, though, even with boobs like mine."

Don't worry, we know people. Consider it a done deal. Picture

Believe it or not, this shit happened!

SPACE POO

WHEN Keith and Ruth Mead, from Melksham, Wiltshire, in the UK, heard a loud bang outside their house and rushed out to see what was up, they were FUCKEN ASTONISHED to see a hole in their roof and a 17cm chunk of STEENKY ICE on their lawn. Turns out a lump of frozen piss and shit had fallen from a jet after being flushed from a toilet and headed straight for their place. Keith, 70, stuck the bagged up shit-cicle in his freezer to show insurance assessors later. "I looked up and there was a gaping hole where a large lump of ice had impacted the roof," he said. Most exciting day in Melksham ever!

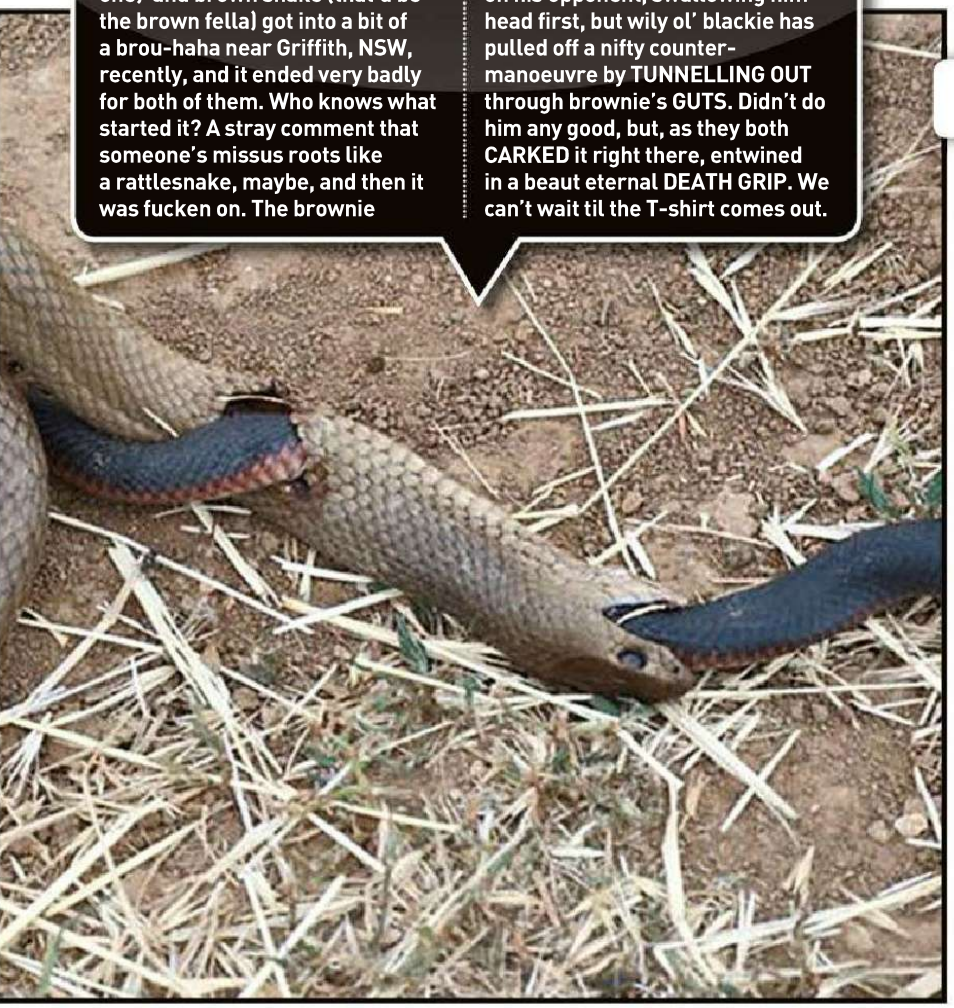
#257 WE DREW A COCK ON IT

KANGA-ROOFER

WE DUNNO whether this 'roo was trying to pull a break-and-enter or just wanted to get a start in the roof-tiling game. Whatever the reason, the 35kg Eastern Grey jumped onto this roof in Wattle Glen, a north-eastern suburb of Melbourne, he didn't enjoy himself. He was stuck there for six hours until a wildlife officers came and plugged him with a tranquiliser dart. "It sort of sounded like three grown men line dancing on the top of my roof," house-owner Trent Duggan said.

BITE CLUB

THIS black snake (that's the black one) and brown snake (that'd be the brown fella) got into a bit of a brou-haha near Griffith, NSW, recently, and it ended very badly for both of them. Who knows what started it? A stray comment that someone's missus roots like a rattlesnake, maybe, and then it was fucken on. The brownie appears to have got the initial jump on his opponent, swallowing him head first, but wily ol' blackie has pulled off a nifty counter-manoeuvre by TUNNELLING OUT through brownie's GUTS. Didn't do him any good, but, as they both CARKED it right there, entwined in a beaut eternal DEATH GRIP. We can't wait til the T-shirt comes out.



EXTRA HOT

THERE are plenty of coffee joints in Kent, Washington, USA, but Bikini Beans Espresso has an edge on the opposition, and she's called Carlie Jo. Barista and owner Carlie serves up the good stuff from 5am weekdays and 6am weekends for the caffeine-crazed locals, dressed as above. Apparently, she makes a killer macchiato. Yeah, like we'd care what the coffee was like.

WET INSIDE AND OUT

THE beer garden at the Kirkstall Bridge Inn in Leeds, UK, normally isn't this MOIST, but pub manager John Kelly and mate Steve Holt didn't mind necking a couple out there after the River Aire burst its banks. "The water came in pretty quickly," said Johnno. "Once we realised it wasn't getting any higher, and the damage had already been done, we decided we might as well sit in the beer garden and have a pint."

COP FLOP

A 15-HOUR police seige of a house near Palm Springs, California, ended when the cops discovered there was no-one home. They'd responded to a tip that there were one or two armed men in the house and surrounded the joint about 11am. A SWAT team was also called in, bringing extra donuts. They were still there in the early hours of the next morning, when someone had the bright idea of knocking on the door.

BEER-OCALYPSE!

Truckload of piss goes to grog heaven

WE HATE to fuck up your day, readers, but if you feel you can take the pain, cast your horrified gaze over this scene of SLAUGHTER that occurred in Germany recently.

A truck loaded with beer ploughed into the back of ANOTHER truck on the outskirts of Hanover, Germany, and VOMMED its cargo all over the road.

Thousands of innocent tinnies were sent rolling through the traffic, and many were cruelly squashed, as bystanders just STOOD FUCKEN BY, unable to comprehend the horror unfolding before their very eyes.

The road was closed for several hours as the dead soldiers were carried away by weeping men and women. Heroes, all.

Grief counselling was offered for anyone for whom the experience was too much to cope with.

Of course, our best wishes and deepest sympathy go to the German people at this tragic time. ■ Picture

Tania
2015
SENSATIONAL Tania Brockwell has a challenge for all PICTURE readers — a challenge that will prove the people of Gladstone are
NEWSERS of the highest order.
You remember Tania. She was a blonde Girl of the Week who was mercilessly hounded out of a
BEAUTY QUEEN because MORALS CRUSADERS
decided to make mountains out of her...wait for
her...breasts.
There's no doubt Tania would have won the
quest, no doubt at all — so she's a bit of a
loser, all things considered.
But the REAL LOSER is the Red Cross — the
world-beating charity which stood to gain
thousands of dollars from Tania's selfless
efforts. And from her selfless birds.
Well, worry not, Red Cross. THE PICTURE,
Tania and her hero husband Chris want readers
to donate two bucks to that celebrated charity
for every time one of her fantabulous breasts
grabs these pages.
C'mon, readers, that's only...er...wot.
It's for a very good cause.
Send your kind donations to Two Bucks
4 TH, THE PICTURE, GPO Box 3201,
Sydney, NSW 2001. Cheques or
money orders should be made
payable to the Red Cross.
We'll ask the lovely Tania to
make the presentation herself,
and we'll be there with the
camera when she does it.
Topper the recession.
Donate now. It's fun, it's fab,
it'll give you a warm fuzzy
feeling inside...and it'll
earn you bow to count.
This is a SERIOUS
PROMOTION.

OME CK, Tania

After 23 years, Tania and her rack are BACK

THE YEAR 1992 was a pretty momentous one for the planet – the Broncos won the rugby league, Bill Clinton won the US election, and Steffi Graff and Andre Agassi won at Wimbledon.

Nirvana toured Australia, Miley Cyrus was born and Benny Hill DIED.

And up in Gladstone, Queensland, Tania Clarke was getting nude in front of the camera for her pin-up in the March 11 edition of THE PICTURE.

Tania had already been a Homie of the Week when she was unexpectedly CATAPULTED into the centre pages of Australia's foremost men's mag.

Now we're welcoming Tania back with her FIRST NUDE PICS since that HISTORIC event.

G'day Tania – tell us about that momentous time 23 years ago when you made NUDE HISTORY.

"I was 22, married and working in a nightclub in Gladstone. My then-husband had taken some pictures of me, so I decided to do some more. I had a lot of fun, and the photos were awesome."

Did you become a BIG STAR up there in Gladdy?

"Just about everyone in Gladstone recognised me. They'd come up and say 'you're the girl in that magazine!'"

But you didn't wind up kicking on with the nude modelling thing...

"No, I had started working in schools as a teacher's aide, and I thought it wouldn't go down too well, so I didn't do any more."

In the intervening time, Tania has been divorced, married again, had a couple of kids and generally got on with her life.

But now, at the age of 45, she's back for a second crack at NUDE STARDOM.

"It's a new phase. I've been through some hard times recently, but I'm back on track and feeling good, so I thought I'd have another go after all these years."

You'd be mad not to, Tania. Welcome home, darl'. Picture

Sure, when you wake up the next day covered in magic marker, two tampons up your nose, stinking of spew and with all your credit cards cancelled, you may question your relationship with the grog.

But ya don't wanna go through life being a whiny cunt, so just have a big feed of eggs, maybe some baked beans on the side, wash it all down with a coldie and start over. Picture

OF COURSE, some people always take it too far. Here are some of the highest blood alcohol readings ever recorded:

- January 2011, Cieszyn, Poland – a bloke was found asleep in a park in -10° temperature with a reading of 1.024%.
- December 2004, Plovdiv, Bulgaria – man admitted to hossie after being hit by a car, registered 0.914%.
- December 2011, Queenstown, South Africa – a man driving a van containing 15 stolen sheep gave a reading of 1.6%.
- March 2009, Skierniewice, Poland – a 45-year-old man gave a reading of 1.23% after being hit by a car.
- July 2013, Alfredówka, Poland – a man found lying in a ditch by cops registered 1.374%.

DREAM TEEN

MOST 18-year-olds are slaving away at a fast-food joint tryna save a little cash to buy their first car, but not Madi Meadows. No way, JOSÉ. This busty teen is smarter than that. Why run the risk of a painful grease burn when she could root some fellas on camera and watch her bank account grow.

The young Seppo got her start in the JIZZ BIZZ just a few short months ago by PURE CHANCE. She was walking down the street minding her own business, when some champion pervert strutted over to her and asked if she'd like to bonk some blokes while he filmed it.

Naturally she agreed and has since appeared in a handful of stick-flicks including Typecasting Titties and Julie's Hot Girlfriends. While most have been of the VAGITARIAN variety, she should have enough POCKET-CHANGE by now to afford a sweet little first car. Which is more than you can say for the schmucks flipping patties at Maccas... they do get free THICKSHAKES, but. ■ Picture

DICK-NIC

SEPPO Art Price Jr gets very excited when asked to go on a picnic, but since he's been caught by the cops sticking his COCK in the hole in the middle of a metal picnic table four times, BUTT NAKED, the invites have dropped off a bit. He's spent six months in the slammer for his table-lovin' shenanigans.

TAKING A LIBERTY

NEW YORK'S Statue of Liberty is an international symbol of friendship and freedom, but to 28-year-old Amanda Whittaker, the lady of Do What You Want is PURE SEX. The Pommy shop assistant says she can SPLOOGE her panties just by touching the 48.5m statue.

RIDE ON

YANK lady Amy Wolfe, 33, doesn't like blokes. She prefers amusement park rides. In fact, she plans on MARRYING her favourite kidney crusher, 1001 Nachts, which she's ridden over 3000 times. Hopefully she wipes the seat after she GETS OFF.

ROLLER ROOTER

PSYCHOLOGY student Bill Rifka is currently in a relationship with his Apple iBook laptop. Despite the loyalty shown by his iBook, Bill admits his eyes do wander, "I've flirted with many a sweet laptop on eBay and felt true desire".

CHOO CHOO SCREW

AFTER having a fling with an electric organ, which Joachim A. says was "an emotionally and physically very complex and deep relationship", the 41-year-old has stopped FIDDLING around and is now chugging along steadily with a steam locomotive.

TRAIN FUCKER!

REVVED UP

IF 62-year-old Ed Smith ever offers to TUNE UP your car, tell him to get stuffed. The vehicle-lovin' Seppo claims to have rooted over 1000 cars in his lifetime, with his fave being a white VW wagon he nicknamed 'Vanilla'. We're not sure if that's due to the colour of the car or the nature of the sex.

BIKE-CURIOUS

SCOTTISH bloke Robert Stewart copped three years' probation after he was busted rooting a bicycle in the nude. The 57-year-old was also placed on the sex offenders' register. Wonder if the pushy-fucker hit TOP GEAR before he was caught?

This is the business end of the shed

HOW LONG DID IT TAKE? I've had the shed for about eight years, but it's only been a man cave for about three. I built the shed myself, it only took a couple of days, but the collection took much longer.

FEATURES: It's got a bar, a pool table, a collection of beer cans – about 70 on display, but around 400 all up, and a collection of bar mirrors – around 70 of them as well.

FAVOURITE FEATURE OF SHED: All the beer! Nah, either my bar mirrors or my big Peters Ice Cream sign.

SHED MOSTLY USED FOR: Parties, drinking, playing a game of pool. The wife mostly organises the parties; I just drink.

BEST THING EVER TO HAPPEN IN SHED: We had a bucks do once with a little bit of streaking. My sister-in-law got naked and jumped in the pool, but while she was in there, we wet her clothes and she had to streak.

WHY I LOVE MY SHED: 'Cos it's mine. No one can tell me I can't be here. And the only people here are the ones that I want to be here.

MONSTER MERGE

PISSED off because you got stuck behind a double-B on the drive home from work and your missus let your din-dins go cold? Aw, diddums. Spare a thought for these Commie champions in China, who optimistically hit the road for the annual holiday centred around China's National Day. On the second last day of the week-long vacation, the 50-lane Beijing-Hong Kong-Macau Expressway became a parking lot because some fucking GENIUS had decided to force 50 lanes down to 20 to check passports. It was a decision so CUNTINGLY stupid, it could've originated in Canberra. Some 750 million people – more than HALF the Chinese population – went on holiday at the same time, and most of 'em ended up here. While they waited for traffic to clear, people got out of their cars and went for walks, built sandcastles, re-read *Lord of the Rings*, got married, raised families and developed a new kind of spring roll. They took it pretty calmly – hell, they're used to queuing by now. So nobody grabbed the nearest uniformed official and biffed him. Good on ya, champs. We would've bunged on a fucken riot.

Talking Dirty

100% uncensored sex advice from Australia's hottest stripper!

"IT'S NOT GAY TO ENJOY ANAL"

BUSTED NUT

FIRSTLY Trin, just wanted to tell ya that you're a fucken babe and I've always thought you're the hottest chick in the mag. So, I got busted having a wank in my worksite cubicle the other day. Forgot to bloody lock the door and the apprentice opened it and found me flogging the little bloke hard. What's the worst place you've been caught?

ADZY, BEROWRA, NSW

TRIN SEZ: ***I wouldn't consider getting caught a 'bad' thing. I find it quite invigorating. In the kitchen at a house party was probably the funniest. We just kept going while someone made a drink, gave us a high-five and walked out. That was pretty funny.***

PORN FOOD

HULLO Trinity, I heard that some foods can make chicks really horny? My mate said oysters make 'em froth, but those slimy little bastards look bloody rank. Surely that's got to be wrong? Are there any foods that particularly turn you on? Or have you ever heard of this?

PAULY, VIA EMAIL

TRIN SEZ: ***Yes, it's true! It's called an "aphrodisiac" – a food or substance which heightens sexual feeling or energy. Oysters are definitely one of these. Personally for me (an extreme lover of food), any food that looks, smells and tastes good can turn me on! Especially desserts!***

ROUGH STUFF

HEY Trin, just need a lady's perspective on something so I thought I'd ask you!

My girlfriend is a real goer in bed – which is great – but sometimes she just goes TOO HARD. I'm into a bit of rough stuff, but I really don't like it when she pulls my hair. But I'm a bit worried that if I tell her, she'll get heaps tamer and worry about doing anything rough at all.

SAM, VIA EMAIL

TRIN SEZ: ***Just tell her, "Baby,***

you can choke me, spank me, scratch me – just don't pull my hair". You need to enjoy it too. Don't ever be afraid to be honest.

NERVOUS SERVER

HI TRINITY, I'm not the best at talking to girls, so I usually chat with them online. I met this one chick in a chat room and we've been chatting for a while, and now she wants to meet up. Suddenly, I'm bloody hopeless. I have no idea what to do! What do I wear? Should I shave my pubes? Scrub my balls? Should I even expect to have sex? Help me Trin, I'm so fucken nervous.

DAN, VIA EMAIL

TRIN SEZ: *Relax, man. Firstly, I'd suggest Skyping. Always do that first. You need to ensure it's not a "catfish". Then, all going well, shower, shit and shave always before a date and just see where the encounter takes you. No expectations means no disappointments. Just go with the flow! Don't forget to be nice. Flowers aren't necessary.*

YOU SUCK

G'DAY TRIN, my girlfriend is absolutely terrible at sucking dick. Like, she's really fucking bad, to the point that I now actually dread receiving blowjobs from her. It's not that she's not enthusiastic, she's just abit hopeless. How do you reckon I should tell her? Or can you offer her a few pointers on how to give a real good blowie?

SLIM, PERTH, WA

TRIN SEZ: *Well dude, I don't have her phone number or email, so I can't exactly advise her, unless you plan on showing her this question, which I wouldn't recommend, since you were pretty harsh! Just guide her as she's doing it. Talk sexy to her, telling how you like it while she's doing it. That will help train her. Take control.*

OFF CHOPS

HEY Trinity, my name's Jess and I need your help. I'm 26 years old, and absolutely love getting trolleyed, like really, REALLY off my rocker. My boyfriend says that I embarrass myself and I should stop. I don't think I'm too bad, but then again I don't really remember any of what I do! Would you let a man tell you how to live your life? Should I dump his sorry arse?

KIMMY, VIA EMAIL

TRIN SEZ: *Do what makes you happy, babe. But ultimately, if you love this guy and want to be with him, then you need to consider his feelings, listen to what he's saying, and at least try to compromise on a deal. The choice is yours.*

BACKIN' UP

I'M REALLY keen to try anal, but the missus said the only way she'll ever take it up the pooper is if she gets to put on a strap-on and fuck me up the arse beforehand! Do you think she's being fair? I mean, I do see her point, but why is it so much more expected for chicks to be willing to do anal than guys? Straight guys, I mean, I know gay blokes love the bum-fun.

DAMON, VIA EMAIL

TRIN SEZ: *I'm with your missus, mate! It's all very well and good for guys to pop one in and fuck us in the arse, and expect us to enjoy it and be all happy. The idea is, it's not gay to enjoy being fucked in the arse because some girls who aren't gay really like anal. So how about you do it, so you know what it's like and then we go from there? For some, yeah it's great, but for a lot of girls, it's absolutely terrible, mostly because men just tend to ram it in there and go hell for leather while we're feeling pretty horrible, because it can hurt. Guys need to know this! And there's a bonus. You never know – you just might love it!*

TRINITY'S SEX TIP

No matter what you've been through in past relationships, remember that people are all different, yet they are all the same. Everyone lies – but it's about degrees of lying, acceptable and unacceptable. Everyone has limits, be they sexual or personal or just general. No two relationships are exactly the same, and remember, some people will put up with your shit for ages, and some will take you down on it straight away.

TRINITY WANTS TO HEAR FROM YOU!

WHO: A bloke police are now referring to as 'Knife-block'

WHERE: Sobradinho, Brazil

WHAT: Knife in face

OUCH FACTOR:

97%

HE'LL NEED A FUCK-LOAD OF PANADOL

WHEN you get a fucken big kitchen knife shoved through your face, do you think it would make you feel better or worse if it was your big brother who did the shovin'?

That's what this bloke will have to ask himself nightly as the breeze gently whistles though the new hole in his head.

Knife-block – nah, that's too undignified, how about 'Mr Stabby' – Mr Stabby and his cousin were involved in a bit of rough 'n' tumble horseplay with Stabby's older brother, when Stabby Snr whipped out the implement and buried it up to the handle in his li'l bro's scone.

Stabby Jnr went to hospital, and Stabby Snr promptly went on the lam. Jnr recovered, and Snr was still on the run. Not a word about the cousin, so we presume he's happy, well and watching his carbs.

Brazil is a knockabout joint and a knife in the face probably means fuck-all, so all we have to say to this bludging layabout is – GET UP YA SOOK! ■ Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

HOWDY Y'ALL!

I LOOKED around recently and noticed some things about what we eat, how we dress, how we talk, the movies and TV we watch, and how we keep wanting to sue the asses off each other. Maybe we should hold a referendum that holds true to today's society. When will we vote to become the 51st State of the USA?

E. K., KIRWAN, QLD

MUNGO SAYS: Since when do we sue someones "ass" off in this country? In Oz, we sue people's arses off. But I take your point. From now on I'll only eat burgers with beetroot, I'll only wear stubbies and thongs and only watch the Coolangatta Gold on the teev. And I vow never to kick someone's ass – just their arse.

MUNGO SAYS: That's just to make you feel good about yourself. As in, you probably ain't the prettiest thing on the planet, and you probably wouldn't stand a chance with this babe, but at least up against Mr Toothy you'd go OK. It's all psychomological, mate. DRIVE IT HOME

WHEN we get these self-drive cars, does that mean your car could drive you to the pub, park itself, then wait out the front like a faithful dog for its master to come out pissed to the eyeballs and with a slab to take home? You and your mates could piss on in the back while the care drives you home. And if you picked up in the pub, there'd be no waiting about until you get home for a screw, you just both jump in the back seat and go for it. It'd be a shitload better than a cab, 'cos there'd be no creepy driver checking you out in the rear vision mirror.

J.B., BRIDGETOWN, WA

MUNGO SAYS: Sounds good to me! But what I want to know is how do you get it to chuck demos and figure eights and drag off other cunts at the lights? I was way ahead of the curve on this – I once worked out how to make the Valiant drive down to the shops without me doing a thing. Just leave the handbrake off. Piece of piss.

A KNOCKOUT

IF MUNDINE vs Green III ever takes place, can you guys mark the occasion by having a pin-up wearing boxing gloves? That would be so hot. Also, do you think Trinity would put up much of a fight against that Ronda Rousey chick from the UFC?

A.J., GROVEDALE, VIC

MUNGO SAYS: I dunno whether Trin could take Rousey. Possibly with capsicum spray and a taser. Trin's got the fighter instinct alright, she just lacks the training. On the other hand, I reckon she could put Mundine down in three rounds. I'd love to be at the weigh-in for that one, 'cos she's also really good at the trash-talk.

CAVE WOMAN

SOMEONE wrote in the other week asking if a bloke has a man cave what does a woman have... this is it.

C.C., TERRANG, VIC

MUNGO SAYS: I always wondered what they were up to in there for all those hours. Us blokes, our lives are an open book, we put it out for all to see, but the women, they be so secretive. Now I know. To tell you the truth, it looks like she's gunna have more fun than we do. She doesn't have three kinds of beer on tap and a signed picture of Brockie, though, so we've got that over her.

MUNGO WANTS TO KNOW...

We've got world-beating man-eating wildlife, a not bad cricket team on their day and we do turn out a nice drop of rum, but what do you reckon the best features of Australia are? Tell me, and if I use your letter I'll fling ya $50.

A BLOKE owned a big bit of land up near Mt Isa. The Labour people got a tip that he was not paying proper wages to his help and sent an investigator out to interview him. "I need a list of all your employees and how much you pay them," demanded the investigator.

"Well," replied the bloke. "There's my farmhand who's been with me for three years. I pay him $1200 a week plus free room and board."

"The cook has been here for 18 months, and I pay her $1000 per week plus free room and board."

"Then there's the half-wit. He works about 18 hours every day, with no days off, and does about 90 per cent of all the work around here. He makes about $10 per week and pays his own room and board."

"But, I buy him a bottle of rum every Saturday night, and he also sleeps with my wife occasionally."

"That's the guy I want to talk to... the half-wit," says the investigator.

"It's your lucky day," replied the bloke. "You're talking to him."

As they're driving home, they're really depressed. One bloke turns to the other and says, "Do you realise that this one lousy fish we caught cost us fifteen hundred bucks?"

The other bloke says, "Hell's teeth! It's a good thing we didn't catch any more!"

The old bloke says to the young fella, "Sorry about that. I'm looking for my wife, and I guess I wasn't paying attention to where I was going."

The young bloke says, "That's OK. What a coincidence. I'm looking for my wife, too. In fact, I'm starting to get a bit worried about her."

The old fella says, "Maybe we can help each other. What does your wife look like?"

The young man says, "Well, she is 24 years old, tall, with blonde hair, blue eyes, long legs, big boobs, and she's wearing tight white shorts, a red halter top and no bra. What does your wife look like?"

The old bloke says, "Fuck that bitch – let's look for yours."

FRESH & FILTHY!
Emily's everything you want in a girl
DISCOVER EM'S GEMS!

EMILY Austin looks like the kind of girl whose clean, white undies would smell of flowers, while all the time she's getting moist, dreaming of being reamed by a big, fat porn cock.

You can imagine her whipping up a fresh batch of SCONES, then dropping to her knees to give you a big, sloppy BLOWIE in the kitchen.

Early in her rooting-on-film career, she even starred in a little number called *Innocent Until Proven Filthy 11*. Talk about prophetic!

Yep – sweet, but incredibly horny, that's our Em. She made her way into porn via stripping in her hometown of Austin in the great state of Texas, USA.

WorldMags.net

"I COME ON CAMERA QUITE A BIT"

Em was so innocent of the ways of porn when she started, she'd never even licked a vagina before being asked to do it professionally and had to knock back the gig – something she PROFOUNDLY REGRETS now.

"When I first started doing porn, my first girl/girl scene was going to be with Dani Daniels," Em says.

"She's so pretty, she's so hot, she's so sweet. But at the time, I thought to myself, 'What if I don't do it right? I'm going to look foolish!' So I cancelled the scene. I should have done it."

Ah, what could have been!

But now, of course, Em is heaps familiar with all the HAPPILY PERVERTED stuff that goes on in porn and is keen to get as INVOLVED as possible.

"I would definitely like to do a gangbang. That's something I

really want to do. And more girls!"

Sounds like a plan. Em has also discovered, after much trial and error, what methods should be used to get her well and truly firing ROCKETS from her smoo.

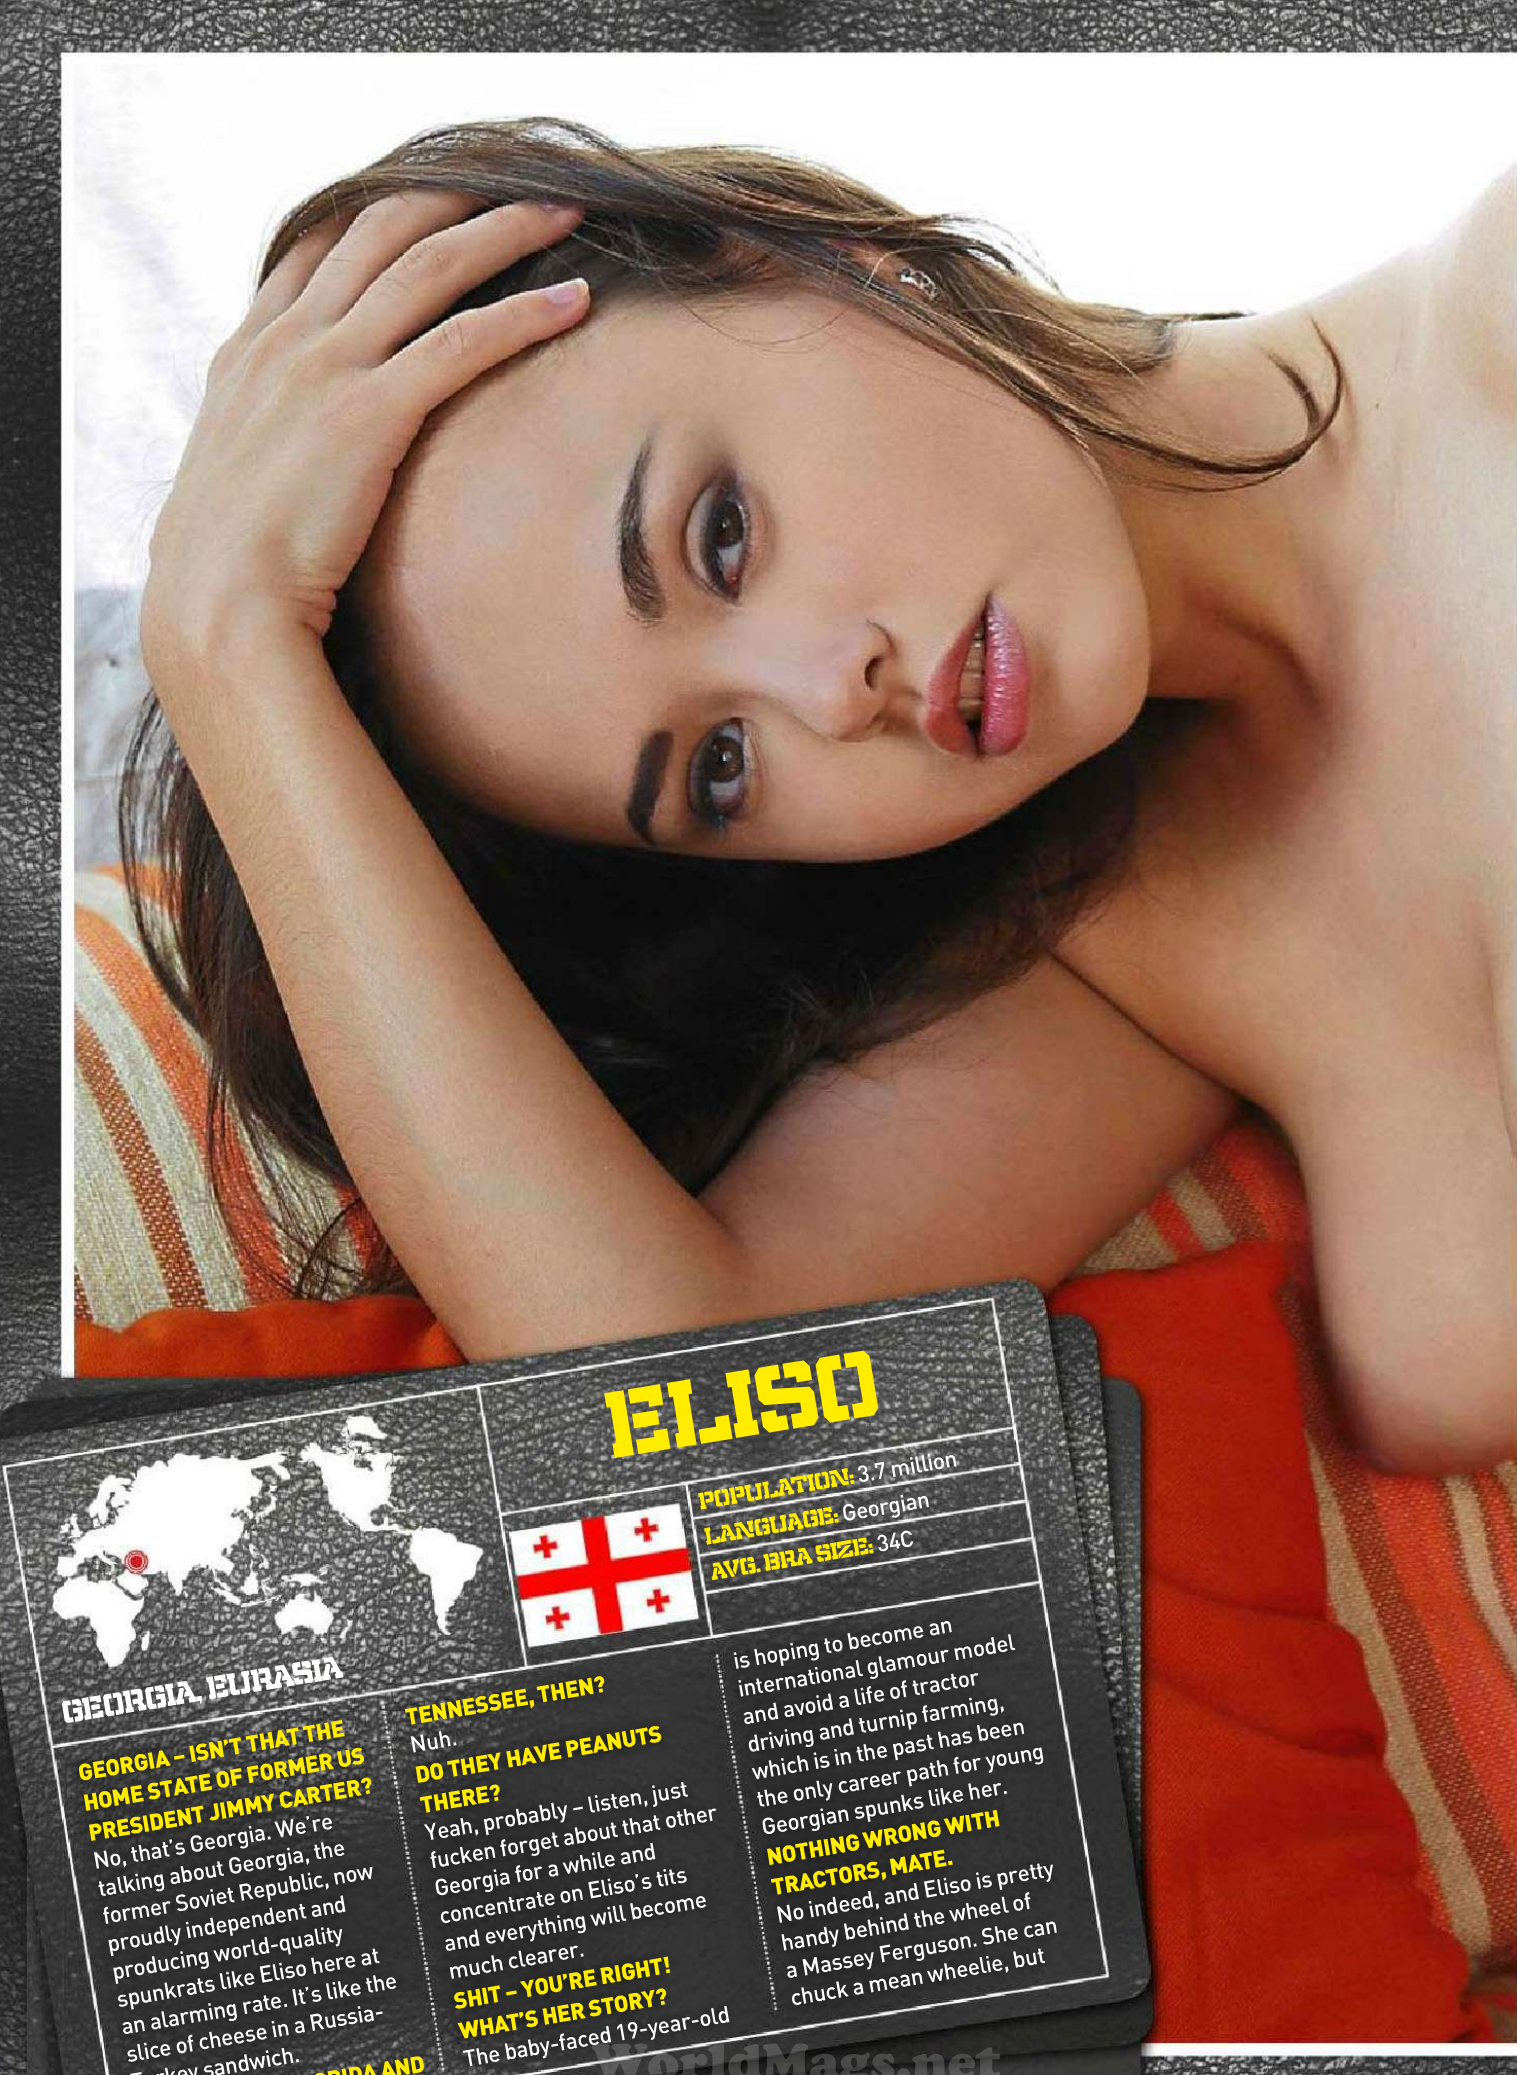
"I like to be on my back, legs up in the air, resting on his shoulders," she reckons.

"And I love receiving oral. I think every girl does. If she doesn't, there's something wrong with her. To me, that's my happy spot."

And unlike many top fucktresses who switch on the Shakespearean SKILLS to make it look real for the cameras, Em tries to keep things as natural as possible.

"I come on camera quite a bit, actually, You'll always notice because my legs shake."

Thanks Em, we'll be keeping an eye out for that. Now go shake a leg for us! ■ Picture



ELISO

POPULATION: 3.7 million

LANGUAGE: Georgian

AVG. BRA SIZE: 34C

GEORGIA, EURASIA

GEORGIA – ISN'T THAT THE HOME STATE OF FORMER US PRESIDENT JIMMY CARTER?

No, that's Georgia. We're talking about Georgia, the former Soviet Republic, now proudly independent and producing world-quality spunkrats like Eliso here at an alarming rate. It's like the slice of cheese in a Russia-Turkey sandwich.

NOT BETWEEN FLORIDA AND TENNESSEE, THEN?

Nuh.

DO THEY HAVE PEANUTS THERE?

Yeah, probably – listen, just fucken forget about that other Georgia for a while and concentrate on Eliso's tits and everything will become much clearer.

SHIT – YOU'RE RIGHT!

WHAT'S HER STORY?

The baby-faced 19-year-old is hoping to become an international glamour model and avoid a life of tractor driving and turnip farming, which is in the past has been the only career path for young Georgian spunks like her.

NOTHING WRONG WITH TRACTORS, MATE.

No indeed, and Eliso is pretty handy behind the wheel of a Massey Ferguson. She can chuck a mean wheelie, but

WorldMags.net

WorldMags.net

she saw her future as being more... well, more nude.

YAY FOR THAT.

Yay, alright. Pro tractor driving's loss is our gain, besides, you should have seen the mayhem in the turnip fields when she showed up to work in a pair of Daisy Dukes and a push-up bra.

SO SHE'S AWARE OF HER ADVANCED SPUNKITUDE, THEN?

Yeah, but not in a shitty way. Sure, she'll use a bit of cleavage to score free drinks in the nightclubs of Tsbilisi, the Georgian capital, but she's not up herself or anything. She's down to earth. As the old Georgian saying goes, "You can take the girl out of the turnip field, but you can't take the turnip field out of the girl."

IS SHE A HORNY LITTLE MINX OR WHAT?

Horny? Mate, after spending her formative years driving large, vibrating farm equipment over deeply furrowed ground, she's wetter than an oyster's armpit.

LET'S GET HER OVER TO OZ TO DO SOME PLOUGHING THEN!

Perth's hottest barmaid is making waves

Gary Santos

IF YOU happen to be in WA, and you spot Rosalie Red, 25, in a bar near you, she's KINDLY saving you the trouble of having to imagine just how INCREDIBLE she looks without her clothes on.

Since she's currently labouring as a topless barmaid, there's a good chance you'll see her beaut FUCK UDDERS when you order a coldie – and we think that's bloody tops.

But that's only part of her plan for WORLD STIFFY DOMINATION. She's got plans be a TOPLESS FUCKEN DANCER, too.

G'day Rosalie, what's your new career gonna involve?

"I'm on my way to becoming

a nude dancer. I've been working on pole dancing with a friend of mine who took me under her wing and corrupted me!"

Where do you work?

"Oh, all over the place. I'm going to Albany and Karratha next week."

How do you like the blokes in WA? Are they up to SCRATCH?

"I like the boys over here very much. You could say I'm addicted. They're quite manly, and very keen to be dominating, but everything changes in the bedroom! I'm pretty controlling myself, and I do like to take charge in the bedroom."

You like being the boss?

"I do. Sometimes it's all part of the fun, the power play. I try to have a lot of fun in bed."

What's the most boss thing you've tried recently...

"Oh dear, I tried the wheelbarrow recently. That didn't end too well. It turns out I don't have a lot of strength in my upper arms.

Made in Oz Girl

"I'M ADDICTED TO WEST AUSSIE GUYS"

"I LIKE TO TAKE CHARGE IN THE BEDROOM"

I'm working on it though."

These are some BONER-INDUCING photos you have here, Rosalie. Looks like a top bit of real estate.

"It is! It's a beautiful nudist beach, Swanbourne. We got there early and it was completely deserted, and we were shooting stuff in the water and we got out, and there were about 30 old men, all sitting on the beach with their newspapers with holes in them! Ha ha ha! They were more happy than shocked, I can tell you." ■ Picture

My Threesome

NORWAY THE RIGHT WAY

LIKE most Aussie blokes, I went backpacking around Europe in my 20s, living on shit food, drinking shit wine and staying in shit youth hostels where you'd only meet other backpackers. All in all, it was shit.

That was until I got to Norway and found myself drinking alone in a classy bar in Oslo just to get away from other backpackers. It was a bit pricey and I was nearly out of dosh when these two blonde stunners came in and sat down near me.

We started chatting and I told them my tale of woe about running out of money and being on my own. They not only bought me a shitload of drinks, they asked me to come and stay at their place for a while. I wasn't even thinking about rooting them, I was just grateful to stay somewhere that didn't smell of farts and wine puke and talk to somebody who wasn't moaning about how expensive everything was. But it turned out they had other ideas.

When we got to their little flat on the outskirts of the city I asked where the spare room was so I could chuck my gear in there. They looked at each, giggled and one of them – Inger – said: "We only have one bedroom, and one bed." I must've looked like a stunned mullet, so the other one, Suzy, added: "There is room for three of us." Then I got it. They actually wanted me for sex! The first night there was the best night of my life. I remember lying on my back with Suzy bouncing up and down on my dick while Inger ground her moot onto my face.

Outside it was cold and snowing, but inside I was having the time of my life. I stayed with them all winter. Fuck youth hostels.

THREE AMIGOS

MY BEST mate had this stunning girlfriend who I had fancied for ages but I had never done anything about it because, well, he was my best mate. It used to kill me when we went on camping trips together and I'd see Lorraine strip off to jump in a river and know that Jeff would be fucking her that night while I'd be wanking in my tent. It got so I'd avoid them because it was too hard to take.

Then one day Jeff rang me to have a serious convo about why they didn't see me anymore. I just blurted it all out about how I had the hots for Lorraine. There was this awkward silence, then Jeff dropped the bombshell – Lorraine fancied me, too, and they'd been thinking about asking me to have a threesome with them and only backed off when I gave them the cold shoulder. I nearly fainted, but I just said, yeah that'd be pretty cool, and Jeff said he'd set it up.

Come the big night, I was sitting on their couch nursing a coldie when Lorraine made her entrance in a see-through negligée thing that showed everything off to perfection. Jeff stepped back and let Lorraine cosy up next to me, her hands going immediately to my bulging stiffy. She wrestled it out of my jeans and started sucking me off, while Jeff pushed her legs apart and tongued her sweet pussy. When I was about to blow, Lorraine got up and stripped off the negligée to reveal her stunning D-cup tits, flat tummy and perfectly trimmed little bush. She flung a leg either side of me and lowered herself onto my cock, while turning her head sideways to suck Jeff's cock. I lasted about three seconds, but then I got the pleasure of watching Jeff fuck her as well, which got me up for round two.

It worked out so well, now when we go camping, it's all three of us in the same tent.

I WAS newly divorced but because my ex and I had the same friends, we kept bumping into each other at parties and backyard barbies. If it wasn't bad enough seeing him, he always had some spunky young babe with by his side, while I was going cross-eyed from lack of rooting.

One weekend I went to a couple's place we both knew for a barbie and, sure enough, there he was with another new girl. This just made me hit the piss harder as I tried to figure a way out of my no-sex dilemma. The solution arrived in the form of two hunks in their early 20s who were renting the house next door. As soon as I saw them I pushed my tits out, pouted my lips and went over to chat them up.

I must have been giving off the right signals, because they asked me over to their place for private drinkies. They had this tree house in the backyard, so we went up there, and soon I was sitting between them with a hand on each of their dicks while one of them fingered me and the other one sucked my tits.

I was flooding my undies, so I wriggled out my shorts and spread my legs as a subtle way of saying : "Root me!" The tree house overlooked my friend's backyard, so I could hear the barbie going on as one hunk ploughed me while I sucked thee other one's lovely young cock. They swapped back and forth, and I must have had three or four screaming orgasms before they drained their ballsacks into my hungry moot.

I didn't bother going back to the barbie, and when I rang my friend the next day to apologise, she said it was alright, she'd asked the lads over especially for me. She added that everyone at the barbie – including my ex – could hear and see every dirty little thing that was going on in the tree house, so win-win, I reckon.

GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

EDIE
FOOTSCRAY, VIC

"I am a student and currently do intermittent promo work," says 26-year-old Kiwi stunner Edie. "I love the outdoors and being amongst nature barefoot." ***Have you had many other adventures going bare?*** "Years ago, I got drunk and ended up playing around in the bathtub, toys and all, with my housemate's girlfriend." ***That sounds like good, clean fun to us.*** "Well, only we were walked in on by my boyfriend and the housemate." ***What did they do when they walked in, besides get STONKING ERECTIONS?*** "Her boyfriend got angry and left, and mine stayed to watch, asking if he could join in." ***Did you let him join in?*** "Nope. Just let him watch." ***That's not such a bad outcome for the fella.***

HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE? "I made the odd random home movie with one of my exes years ago. He showed one of them off to all our friends when drunk without my knowledge. I honestly don't know if any of them still exist."

"We were walked in on by my boyfriend"

"Her husband came into bed with us"

$200 BEAUT BUM

PAIGE
SURRY HILLS, NSW

Paige is a 25-year-old "office chick" with a bit of post-booze regret. "The other weekend after a few too many tequilas, I had a near threesome." ***How do you have a NEAR threesome?*** "My female friend crept into my bed, and we both took off our clothes."

Yay, so far, so good. "Kissing ensued, and then her husband came into the bed with us and we all got handsy with each other." ***Not sure how this didn't end with a threesome!*** "But we passed out before it went any further. Sad times." ***Off to AA for you!***

HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE? "Who hasn't? I think everyone wants to make their own porno. At first, I was a little shy in front of the camera, I didn't want to give away too much, but then I was like, 'Why the hell should I not be into this?' So out came some sexy lingerie, undressing, some toy play with myself, and then some fun with the fella, and if I'm really honest, I like it from 'behind', if you get what I mean, so that was the big finale."

"Women know how to hit the right spots"

ELLA
NEWTON, SA

"I had a sexy time on the beach and some seagulls came over to have a look," says 23-year-old waitress and spunk Ella. ***Did the noisy bastards like the show?*** "They were very intrigued." ***What other feathered friends would make good spectators?*** "I think flamingos; they are always so mysterious." ***Who was the SEXY TIME on the beach with?*** "A girlfriend." ***Do you always prefer girls?*** "Yes." ***What do you prefer about them?*** "They know how to hit all the right spots and they have a nice, soft touch." ***Who's your ideal woman?*** "Someone who is chilled out, smart, funny, tall and adventurous." ***No romps with Bronwyn Bishop then.*** **HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE?** "I had sex on Skype once, but the connection broke. I guess that person won't be getting a show."

LUNA FOX
SYDNEY, NSW

Walking canvas Luna Fox is a 28-year-old English advertising type whose early career path had a little bit of a sticky start. "At uni, I went to my careers adviser and didn't realise I was still wearing a pearl necklace." ***Just to clarify, we're not talking jewellery...*** "It was a bit awkward when I realised, but I don't think the gentleman I was talking to about my future noticed. It took me about 10 minutes to get to the meeting as well, so I was just casually walking round with some jizz on my neck; totally unaware." ***Have you been careful about where the MAN GOO lands on you since then?*** "I follow the girl code on that; more watching where it lands." **HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE?** "I am pretty sure the neighbours can see right into my flat, and I am really bad at shutting the blinds so potentially yes. Look for me on Red Tube under creepy voyeur sex. Oh, I really hope that is not an actual porn category."

"I was walking around with jizz on my neck"

This isn't just nudity, dear readers. It's a voyage of self-discovery. Frankie Rose is a 24-year-old spunk who is "challenging my personal boundaries by modelling nude for you". ***Not normally the naughty type?*** "I never even wagged school. Something a lot of people don't know about me is that I have a love for science and for the past 10 years have helped run a science camp every January." ***Do you feel science is under threat from religious fools – the same ones trying to stamp out the GROT trade?*** "I love that no matter what we learn about life and science, we can always know more, that it is always evolving and developing in ways we could not imagine." ***What do you like about the body science has endowed you?*** "I love everything about my body. I love my curves, my petiteness. I just love and appreciate everything I was blessed with."

HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE? "Hell no. Sex is for myself and my intimate partner."

$30 ASK THE HOMIES

I'd love you to do me with a strap-on. I want to know how you'd do it? Would you do me from behind? Would it be fast or slow?

COLIN, TAMWORTH NSW

LIA SAYS: ***"I only ever tease my partner about it, but he doesn't like it. I tend to be mean – think horns on my head – and if given the chance to do it to a man, I would do it fast, abruptly and forcefully."***

KJ
MOSMAN, NSW

$30 ASK THE HOMIES

I wish a hot girl like you would take me to a swingers' club. What is the wildest thing you have seen in a club?

KAZUMA, GOLD COAST QLD

Italian visitor Rika, 27, loves a drink, so she fits right into Aussie life. "I am still used to drinking in the streets like back home. When I am drunk, I sleep on my knees." ***A lot of girls round here are keen to do something else on their knees after a few.*** "My favourite drinking scenario is always somewhere with the sea. I love going to the port in my town and just drinking there with my friends, talking rubbish." ***Any ridiculous adventures on your holidays around the world?*** "Once, when I was on holiday in Sardinia, I was desperate for a wee, so I went behind some bushes close to the beach. What I didn't realise is that I had stood on a wasps nest. In less than a minute, I had loads of them around me and had to run across the crowded beach and throw myself into the sea to get rid of them." ***Sounds like they were pissed off and pissed on at the same time.***

HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE? "Do I have to answer that?"

"I had sex on the roof of a church"

TYLER
TOOWOOMBA, QLD

"I have had crazy, colourful hair for about four years now," says round-boobed Tyler, 22. "I once had sex on the roof of a church. This guy I was seeing was massively into parkour. We went out one night on a date and thought it would be hot to get it on on the roof of this church. Let me tell you, the climb up there was 100 per cent worth it." ***Have you BONKED in many public places like that?*** "I've done the beach, apartment balconies, cars, other buildings and a public pool. The idea of getting caught really turns me on. It's so naughty. I haven't been caught yet." ***What's your plan if you get busted by a hot couple who've taken Fido out for a walk together?*** "I'd invite them to join us of course. I've had quite a few group experiences, so I know what I'm doing. Everyone needs to try swinging." **HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE?** "That is something I have not tried yet. I am definitely keen to, though."

"I like to play around in the dark"

SINEAD
MIAMI BEACH, QLD

"On the weekends, I swing a sword around and try not to die," says 34-year-old party organiser Sinead. ***Pork swords?*** "No. They're big and long and sexy. They're also dull, so loss of limbs doesn't occur, but occasionally people get massive gashes where their armour doesn't cover. It's gruesome." ***What do you like about using them?*** "The skill involved and the power; there's a whole heap of training involved so we have fun while living history through re-enactments. Oh, and you get to wallop the opposing side, woo hoo!"

HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE? "Um, does for a show reel count? I haven't been filmed doing the deed, just pretending to do it. It was for a computer game that stalled. They were going to incorporate live-action movie sequences, some of which were raunchy. And sometimes I like to play around in the dark. But you usually require a lot more lighting for filming."

ADELAIDE HILLS, SA

"I've never had girl-on-girl sex, but if I ever did, it would probably be with Lexie," says 21-year-old Jessica when asked about her 23-year-old mate's naked body. **Jessica:** "I like her body shape; how tiny her waist is, but how curvy her arse and boobs are. She has got the perfect figure." **Lexie:** "I like her gorgeous arse." ***No one will disagree with you there. Have you had much GIRL-GIRL lovin'?*** **Lexie:** "I love grinding pussy-on-pussy. I have had many girlfriends; plenty of lesbian sex. I love how girls know more about the female body. Plus they have super soft lips and skin." ***You need to show Jessica exactly how to do the lesbo thing. And let us watch.*** **Lexie:** "I would definitely show her if she wanted."

HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE?

Jessica: "I have never been filmed having sex, mainly because I never had a partner who wanted to. But I have always wanted to do it. I think it would be really sexy."

Lexie: "Yes, I have done it with boyfriends in the past. I think it is just a bit of fun to spice up your sex life."

"Doggy – it's primal and I don't have to do as much"

KELLY
MELBOURNE, VIC

CONSIDER yourself bloody lucky to see Kelly naked. The Melbourne stunna reckons she's super shy most of the time. "This is not something I'd normally do, but a few of my friends were doing photos for the magazine, so I thought it'd be fun," laughed the naughty 19-year-old student. ***And was it fun?*** "Yeah, and the pics turned out really well. I just hope my older brother doesn't buy the mag. He's a tradie." ***That'd be weird. Have many others seen you naked?*** "Hardly any. Just a few boyfriends." ***Have they ever wanted to take rude shots of you?*** "Yes. One guy once filmed us on his phone while we were having sex. It was weird at first. I made him delete it the next day, though." ***What's your favourite rooting possie?*** "Definitely doggy. It's more primal and I don't have to do as much. Ha-ha!" **HAVE YOU EVER BEEN FILMED IN THE ACT OF ROOTAGE?** "No, I'm super careful about that sort of thing. I guess it's bound to happen someday, though." ***What are the chances of you showing us EVERYTHING in 100% Home Girls?*** "Maybe I'd do it if there was enough money on offer." ***We'll go talk to the finance department!***

GO FACT YOURSELF!

THIS ISSUE:

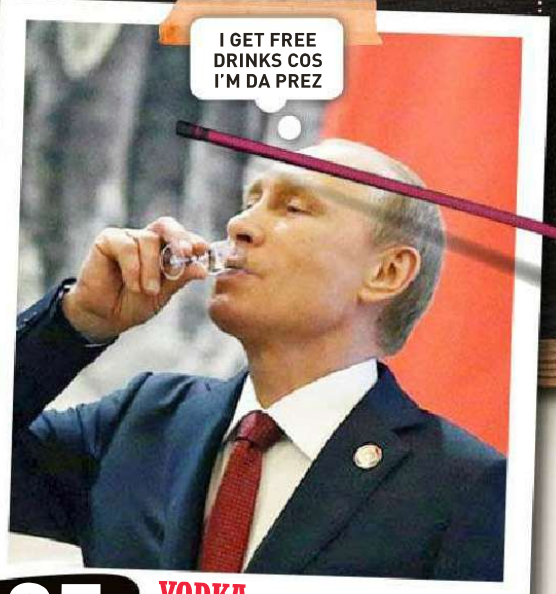
THE WORLD'S STRONGEST GROG

01. EVERCLEAR
Seppos call it 'grain spirit', a nip so strong that necking it straight will KILL YOU. It has no taste, except for 'burning'.

02. ABSINTHE
Try drinking this straight out of the bottle. Fucken nasty. But add sugar and flame, it becomes strangely drinkable.

03. BACARDI 151
It's used in cocktails, which, after you drink them, make you forget past events. Like changing your gender.

04. TEQUILA
Funny thing, but the more alcohol in your tequila, the lesser the hangover will be. Unless you drink it all. Which is when the demons come to drag you into hell.



05. VODKA
It's the gateway to drunkenness of Russian proportions, a beaut drop made from anything from turnips to old socks. The absolute KILLER Balkan 176 is so strong, it comes with 13 health warnings.

06. BEER
A pommy beer called Snake Venom checks in at a WHOPPING 67.5 per cent. It's like a spirit that tastes like beer, and the makers suggest you 'sip' it.

07. WINE
The sweeter the sherry, the higher the alcohol content. Most wine is around 12 per cent, making sherry's 22 per cent a selling point for pissheads.

08. RAKIA
The national drink of some European countries, rakia is made of the 'other' bits of the grape. It's a clean spirit for foreigners so that locals can laugh as you strip naked in -14 degree temperatures and do the Moonwalk.

09. MEZCAL
Often confused with tequila, Mezcal is produced from the same family of cactus, but it's a DIFFERENT BEAST. There's a saying in Mexico, "For everything bad, mezcal. For everything good, the same". Sounds like a FUCKEN DARE!
